## Friends of the Onondaga County Medical Society Sponsorship Information

The Onondaga County Medical Society (OCMS) has created a sponsorship program for medical-related businesses, services, and allied health professionals. This program allows businesses to show their support of physicians and the medical profession and provides our member physicians with a valuable list of business resources.

Your support of OCMS contributes to our ability to advocate and care for physicians and patients in Onondaga County.

**There are various levels of support starting at only \$100.**

### **Sponsorship Packages for 2022-2023**

#### **Basic Level: \$100**

Listed on our Friends of OCMS webpage for one year, name, contact information/logo, link to website and one sentence description. New friends of OCMS are listed in the quarterly bulletin.

#### **Gold Level: \$250**

Everything in basic level including the option of a 250-word description of your business on our Friends of OCMS webpage, one quarter page advertisement in a quarterly bulletin, and a month long banner ad on the front page of our website rotating slides.

#### **Platinum Level \$500**

Everything in gold level including a one-page advertisement in a quarterly bulletin, with the option to write an 850-word article for publication alongside advertisement, up to three social media posts on Twitter, Facebook and LinkedIn, nine all together (events, promotions, announcements), six-month long banner ad or logo placement on the front page of our website rotating slides.
